Our Brands

NUGGET MARKETS

Nugget Markets is a full-line grocery store that provides high-quality perishables and organics, ethnic products, specialty grocery items and conventional goods in a European marketplace setting. Chef-led kitchens offer an array of freshly prepared foods, alongside our in-house artisan bakeries, delis and coffee and juice bars. From our high-quality meat and produce departments to our specialty cheese and extensive wine and spirits sections, every department offers the best of both worlds—high-quality products at the lowest everyday prices.

FOOD 4 LESS

Our price-impact powerhouse, the Food 4 Less store location offers groceries at exceptional values in a warehouse setting. Guests enjoy top-selling national brands seated next to organic, local, ethnic and specialty products, along with fresh, high-quality perishables in our meat and produce departments. Streamlined operations and weekly competitive price checks ensure that prices are 10% below conventional grocers.

FORK LIFT BY NUGGET MARKETS

A hybrid of Nugget Markets and Food 4 Less, Fork Lift by Nugget Markets is the unique shopping experience of Nugget Markets housed within the warehouse style format. Offering stellar guest service and warehouse pricing on amazing selections of healthy, top-quality groceries, Fork Lift features the best of Nugget Markets' chef-prepared foods, fresh bakery goods and an expanded selection of local and organic meats and fresh produce.

SONOMA MARKET

Serving Sonoma Valley for more than 50 years, Sonoma Market is a beloved community institution known for outstanding service, top-quality food and a deep connection with local growers and guests. Sonoma Market offers extensive selections of farm-to-market produce, gourmet creations from chef-led kitchens, local and imported wines, specialty cheese, fresh baked goods and more so guests can enjoy the bounty and beauty of wine country living.
